About

A Top-Rated "Social Book" for Connection and Growth

Little Renee of Sunshine and the Everkind Tales is a collection of three original stories designed to bridge the gap between imaginative play and emotional intelligence.

Through the adventures of fairy siblings, children ages 4 to 12 explore complex social issues including empathy, self-worth, and the courage to be oneself.

Praise for the Collection

"Little Renee of Sunshine and the Everkind Tales is full of magic and wonder. But more importantly, these stories offer a few valuable life lessons for young readers, highlighting themes related to patience, self-belief, identity, empathy, and kindness.

This is definitely one of the best children's books of the year."
